加藤くん自作のお弁当完成☆…えっ!?
Thanks mom!
I'm sure if I give her this, Noda-san will...
Thank you Katou-kun!
Katou stop doing strange vocal exercises, elective classes are next
A boy who can cook is so cool
IMITATING HER VOICE

This looks kinda fun.
Hurry up and sit wherever you want.
Since I'm pretty sure Noda-san is taking this class too.
What're you doing that's so 'fun'?
We can sit wherever we want, so I want to sit with Noda-san...
WHAAAT!!
HAHAH
Yeah, yeah.
Let's sit away from them.
Yikes, it's Hiroshima's twin dragons Arasawa and Takanishi!

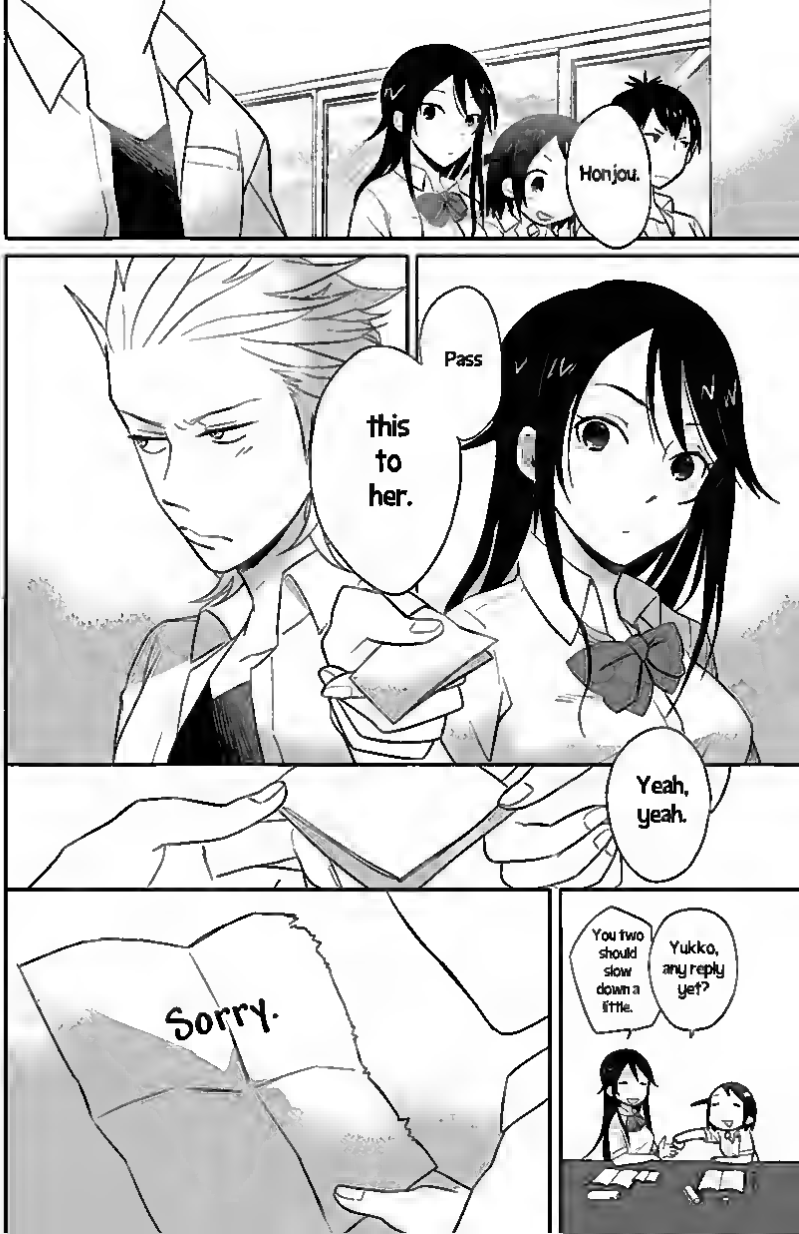
Ah!
Noda-san!
Katou- This one's open.
Thanks for sittin' next to me.
Crap..
Ah.
Don't let it get to you.

Bow!
Stand!
ガヤ
What's so good about her?
What?
Noda Haruko.
I'd understand if it was Honjou.
Sit properly.

You don't know anything about her and you're still acquaintances.
...what was it again...
Why Noda-san?
What are you doing?
Er... well...
I... I'm going to get to know her from now on.
A letter? Just use your cell-phone.
Pass this to Katou.
Hm.
I'm an honor student so these things are worthless to me.
Huh, who's talking?
This is for Katou~

Why don't you text (message) her?
How are you? Let's exchange letters!
She'll definitely send something like that!
It's great that you get to know a little more about your girlfriend.
But that teacher over there is really scary when she's angry, so be careful.

I'm fine!
Let's do our best not to get caught!
I feel the same way.
This is kinda exciting isn't it.
It's Katou Seiji.
What was Katou~'s last name again?



Honjou.
Pass this to her.
Yeah, yeah.
Sorry.
You two should slow down a little.
Yukko, any reply yet?

Mh.
What do you want? If it's something pointless then stop right now.
How about this?
I'M SO HAPPY~ I WONDER WHAT SHOULD I WRITE NEXT?

Fufufu,
I made sure to find out if she liked hamburger patties
Hamburger patties!?
I was thinking about adding hamburger patties for side dishes this time. Can I?
IT'LL BE INDIRECT BUT MAYBE SHE'LL GIVE ME A CONFESSION-LIKE REPLY!!
Who do you think I am!?
That was fast!
Honjou Yukko
Reply!!
WHAT KIND OF DISGUSTING THINGS IS SHE WRITING?
Love love I looove hamburger patties!

It's noisy over there!
YES.
SORRY.
Oh no!
I DON'T KNOW WHICH ONE IS WHICH ANY-MORE!!
WELL IT'S AL-RIGHT
THIS ONE'S FOR KATOU KUN
AND THIS ONE'S FOR AOA SAWA
The reply...

I love you!
I hate you!
UNGH!
WAAAAH!

grin
Even though he has such a sour look on his face, he actually looks at me like that...
Noda-san, it's mean to laugh at me like that... That was because of the hamburger talk wasn't it.
Why do you... What do you see in me...
How do I look to her?

I guess I'm really manly.
I guess I'm too feminine!
OR EMO-TIONAL?
MANLY...? DO I LOOK LIKE IT?
SHE FOUND OUT ABOUT MY ULTERIOR MOTIVE
THIS ISN'T ABOUT THE HAMBURGER PATTIES
Again.
Hey! Over there!
Explain a little more.
I'm sorry if I upset you.

I'm sorry if I upset you.
イライラ
チッ
Explain a little more.
I wonder if it bothers him that I like it so much.
Apologize, idiot. I just like it, alright?
I'll tell you personally.
I'M SORRY, I'M SORRY, I'M SORRY
AH, THATS RIGHT IF IT'S THAT IM-PORTANT THEN HE HAS TO TELL ME HIMSELF

SO HE PERFECTLY CONVEYED HIS FEELINGS TO ME
THAT GUY HAS TIMES WHEN HE TAKES ROUNDABOUT WAYS TO SAY SOMETHING...
I HAVE TO HEAR IT IN PERSON
WHAT DO I DO WHAT DO I DO... WHAT IF I'M REPLACED
Do you have stomache ache?
WAAAH... WHAT AM I THINKING?!
FAREWELL...
AT THIS RATE, BEFORE I KNOW ANYTHING ABOUT MY GIRLFRIEND THAT'S THE WORST...

I hope its something like "It was all a joke!"
yes...
Katou-kun, a letter.
OH THERE'S STILL TIME
Let's end it already.
REJECTED
No... Noda-san.

I'm looking forward to those hamburger patties
Well that was fun, right Katou?
Making me apologize for making you angry so often is getting stupid.
How was it? Did you get to know a little more about your girlfriend?
I couldn't say what I wanted to..
My girlfriend is a hidden 'S'...
Don't be shy.
Huh?
It seems like he shortened the distance somewhere else..
Don't cling to me!

Arasawa's misunderstanding sped up?!

The story of the bentou.
I did it..!!
haahh
Katou is admiring his work for Noda Haruka.
Sei-chan did his best with the fried egg, although it became pitch-black
That's amazing Sei-chan! It's perfect and beautiful, like the bentou of a skilled housewife!
If I give her this Noda-san will admire me...
What Katou's mother made
What Katou made
Isn't there something you want to say to your mother, since she greatly contributed to your bentou's appearance.
You're welcome!
It's not like I couldn't have done it all alone!
Thank you!

A new release!
